

Power Prayers for Marriage

By: Lynn Donovan

The prayer of a righteous person is powerful and effective.

James 5:16b

Lord, I am asking You to open my eyes to see my spouse through your eyes. Let me glimpse his brilliance, his heart, his goodness. Lord, let me view my husband through the eyes of Your love. In the name of Jesus, Amen.

O Lord, today I ask your hand upon me and help me live out 1 Corinthians 13. Let this passage become alive in me. Help me to wear kindness and patience so my spouse will see you in my eyes. Lord, help me to fiercely protect our love from temptation and the efforts of the enemy. Help me to be considerate and forgiving. Also, Lord show me how to connect with my husband. Show me where and how to participate in his life. Lord, allow me to give of myself in intimacy so that it draws my husband and I closer together. Lord, I ask your grace and protection over our marriage. Father, let my husband feel loved and may it move him closer to you. In Jesus powerful name. Amen. *Winning Him Without Words, Pg. 65*

Lord, Today I ask Your hand of protection to cover my husband. Speak wisdom into his life. Help him to make wise decisions with Your discernment. Lord, keep him in your constant care, directing his day to be productive, fulfilling and God honoring. Lord, keep him safe from evil people and evils spirits. Surround him with your love and grace. In Jesus' name. Amen.

Almighty God, I'm lifting my husband before Your Throne of Grace. Lord, reveal to him your will for this day. Reveal your purposes in his job, in his free time and especially in his life here at home. Lord, I lift him up as the leader of our family. Help me to honor him with respect, encouragement, and words of affirmation. Lord, show him, grace that he may be a man of respect, mercy that he may bestow mercy upon others and pour Your love into him that he may be a man of Godly character. In Jesus' name. Amen.

Father, today I ask You to equip my husband to be a wonderful Father to our children. Lord, provide him with Your supernatural wisdom to love our kids with fun and laughter as well as discipline sprinkled with love. Help him to discern when his girls need a Daddy hug and when the boys need some time for roughhousing. Lord, let your love flow through him; fill him up and may that love be lavished upon our kids. Father, may our children know they are love, without condition and with fierceness because their Father is loved by You. Amen.
